KIDS COLLECTION

Fall / Winter 2026

For F/W 2026, our Camper Kids collection explores two worlds of play and imagination.

The first reimagines the princess story, soft and dreamy yet active, with gold and silver tones, thoughtful details, and playful twists—including a new Moomins capsule that ventures outdoors for the season.

The second celebrates bold creativity with colorful contrasts, TWINS designs, and quirky flower motifs. To face the cold, technical winter sports styles return with practical, weather-ready features, alongside our cozy fur pack inspired by dogs and cats.

SEASONAL HIGHLIGHTS

Back to School

Mini-me

Back in 1988, Camper challenged the idea that shoes must be identical by introducing an asymmetric concept in which the right shoe differs from the left.

For F/W 2026, the collection explores the outdoors with playful mismatched takes on flowers, cats and dogs, and the color game.

SEASONAL HIGHLIGHTS

Back to School

Mini-me

Created in 1945, the Moomins are the central characters in a series of novels, short stories, picture books, and comic strips by Swedish-speaking Finnish writer and illustrator Tove Jansson. Celebrating playfulness, creativity, and individuality—just like Camper—they gave us the perfect excuse to craft a TWINS collection that encourages exploration and self-expression.

Small and quick-tempered, Little My brings her fiery spirit to our Right ballerinas, while Moomintroll, ever curious and kind, leaves his mark on Brutus, Drift Trail, and Peu Cami through his outdoor winter adventures.

Extra Warm, Recycled Linings

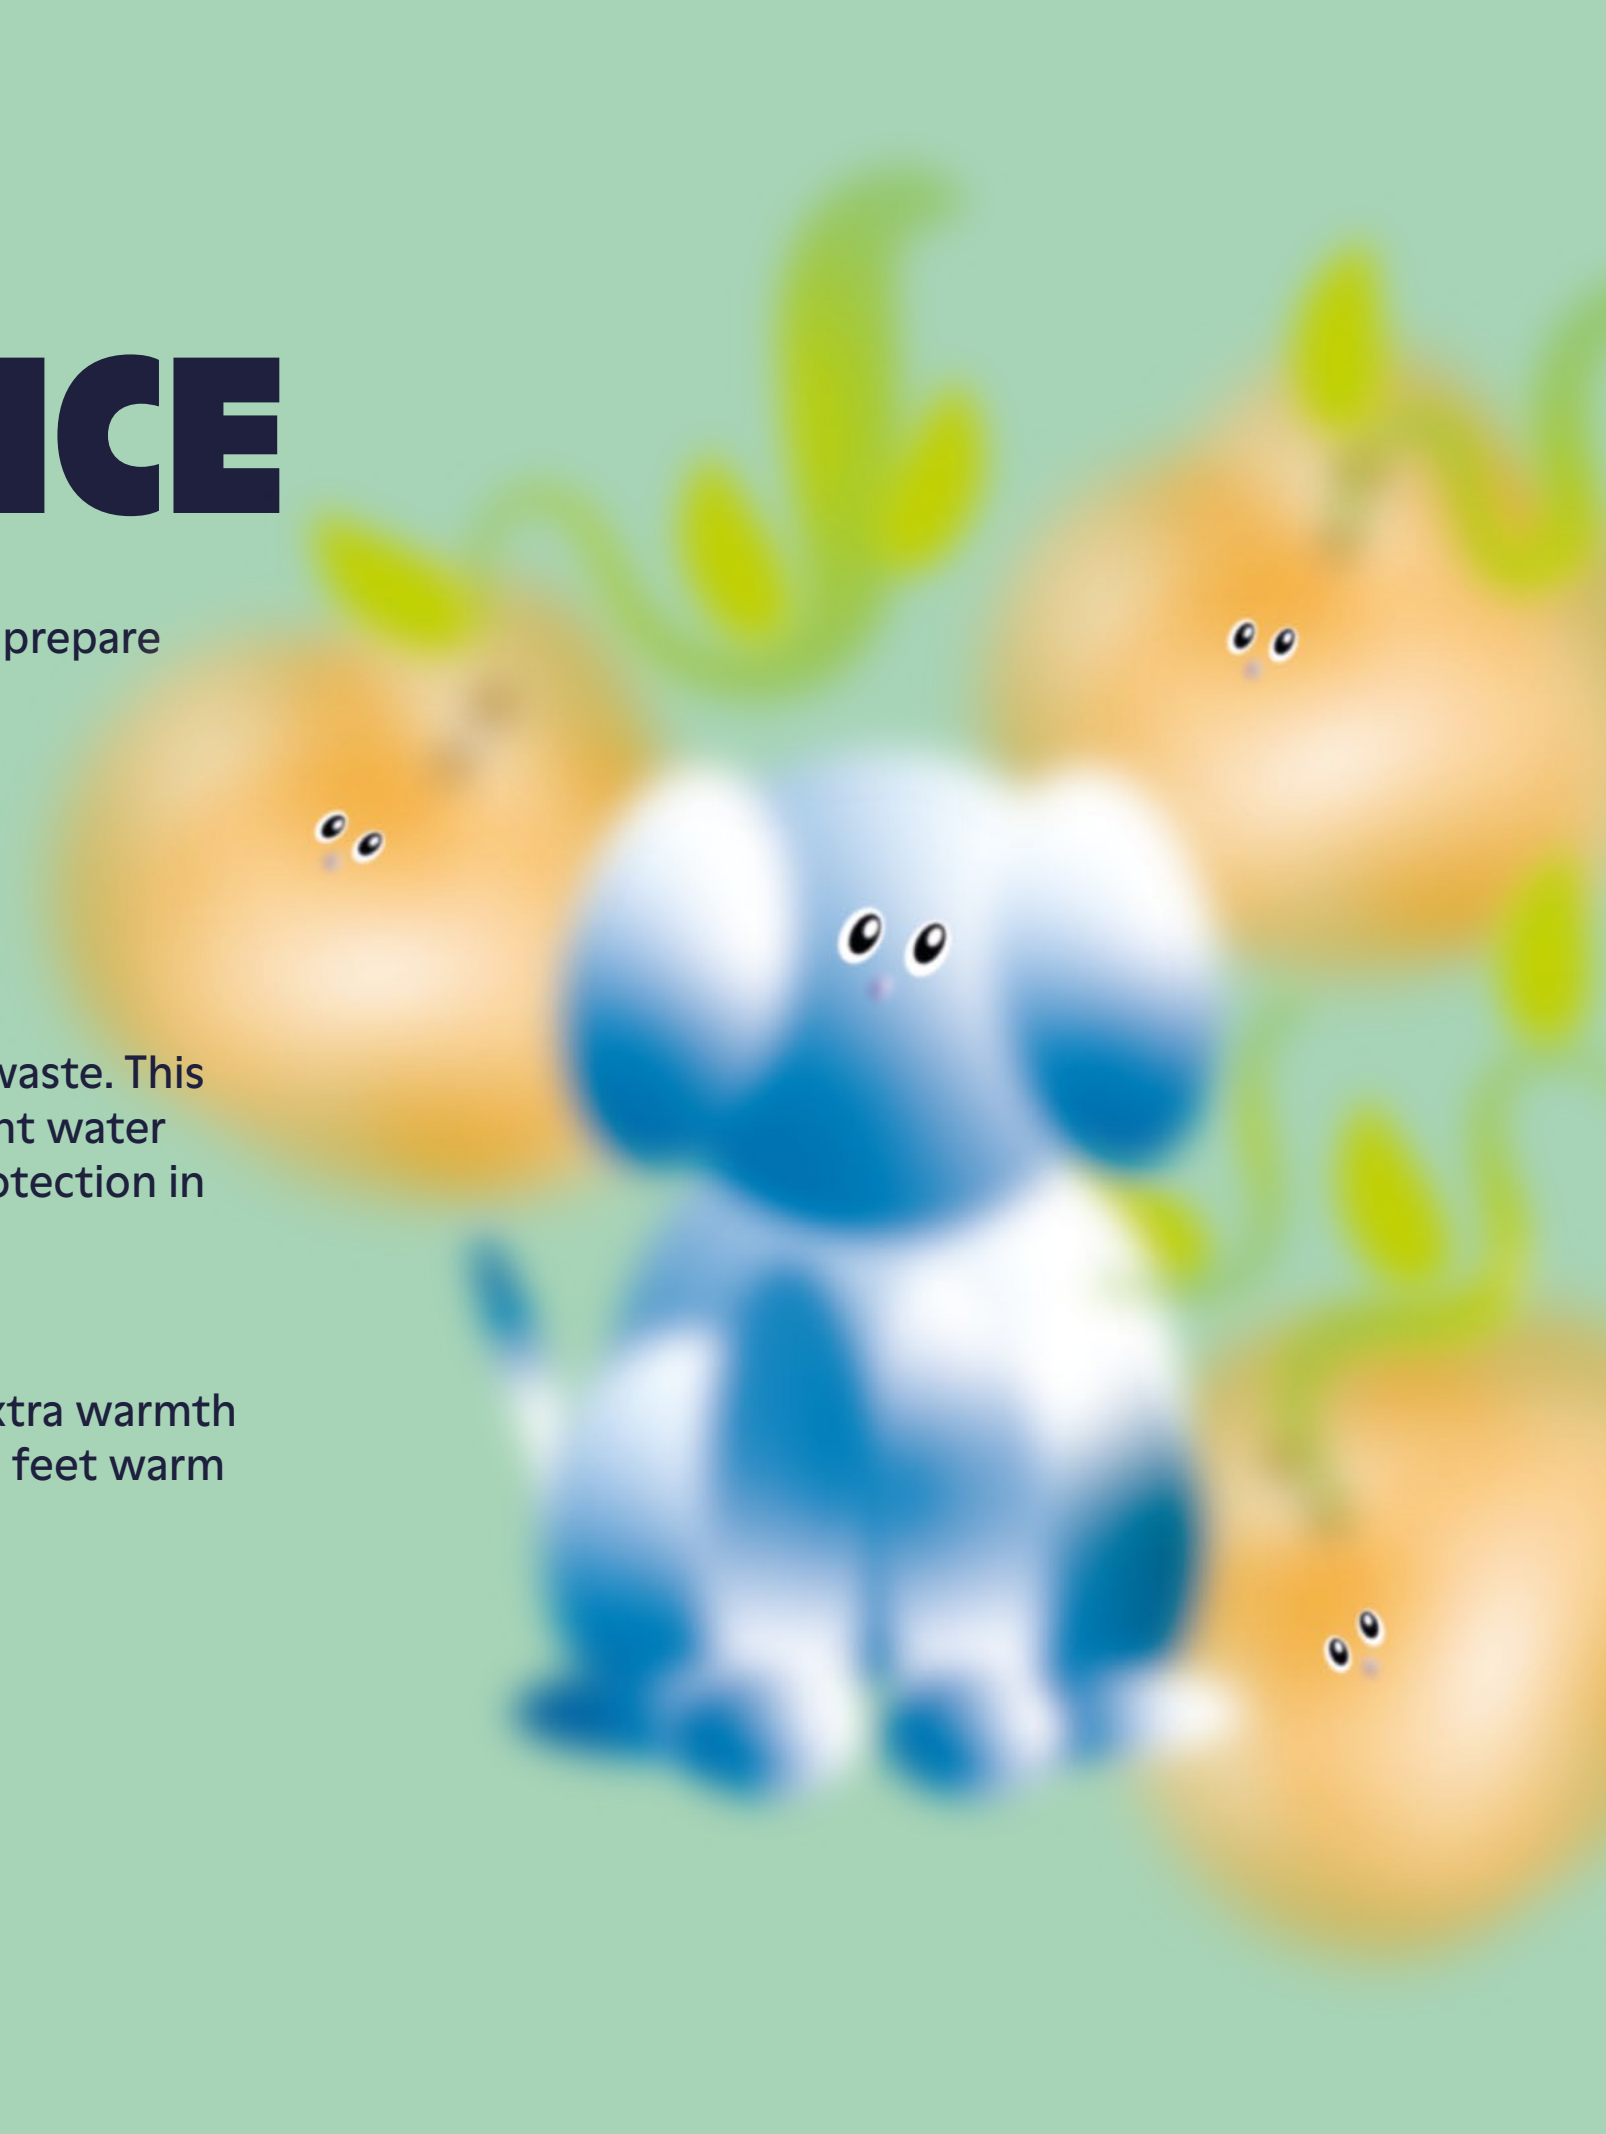

Faux Fur: 100% Recycled PET

HYDROSHIELD®

Camper's waterproof technology is made from recycled PET waste. This breathable membrane features microscopic pores that prevent water from penetrating the shoe, ensuring optimal comfort and protection in adverse weather conditions.

PrimaLoft®

This synthetic microfiber thermal insulation lining provides extra warmth without bulk, combined with water-repellent uppers to keep feet warm and dry during adverse weather conditions.

F/W 2026

K900359-007

DRIFT TRAIL

A technically advanced sneaker with extra performance, quality and durability. Now in new colorways and advanced performance features, like HYDROSHIELD® waterproof technology.
